

*Super Bowl XLVI
Viewing Party*

The Event

The Supper Club & Monarch Estates invited members and friends to the gorgeous 12,000 sq ft Whitewater View Estate set on 3.5 acres in sunny Malibu on Sunday for a one-of-a-kind Super Bowl viewing party. Guests filled the expansive ocean front game room to watch the Patriots battle the Giants on HD plasma screens over an All-American gourmet BBQ buffet lunch spread prepared by a private chef.

In addition to viewing the game and enjoying lunch, guests smoked Camacho Cigars on the lawn and gathered by the pool for a truly spectacular sunset. Sports fan or not, everyone had a lovely day at this spectacular Monarch Estates property.

Monarch Estates and Homes is full service luxury real estate company, offering real estate, lifestyle concierge and estate management services since 1998.
